11. Obituary that includes a short biography of deceased horticulturists.

Nepal Horticulture Society

Nepal Horticulture Society (NHS) was established in 1990 with the following objectives:

- ❖ Enhance public awareness towards the importance of horticulture.
- ❖ Promote and development linkages with related national and international institutional/organizations/societies.
- ❖ Advise governmental and non-governmental organizations in planning and execution of horticulture development program.
- ❖ Encourage and recognize professional horticulturists for their contributions and dedication in developing horticulture sector in the kingdom of Nepal.
- ❖ Create conducive environment for the development of horticulture in Nepal.
- ❖ Develop a strong work ethic in horticulture.
- ❖ Promote horticulture as an integral part of environmental conservation activity.
