# Nepal Horticulture Society

Nepal Horticulture Society (NHS) was established in 1990 with the following objectives to:

- ❖ enhance public awareness towards the importance of horticulture.
- ❖ promote and development linkages with related national and international institutional/organizations/societies.
- ❖ advise governmental and non-governmental organizations in planning and execution of horticulture development programmes.
- ❖ encourage and recognize professional horticulturists for their contributions and dedication in developing horticulture sector in the kingdom of Nepal.
- ❖ create conducive environment for the development of horticulture in Nepal.
- ❖ develop a strong work ethic in horticulture.
- ❖ promote horticulture as an integral part of environmental conservation activity.
